NOTIFICATION

Subject: RULES /SOPS FOR MONITORING ACADEMIC PERFORMANCE OF STUDENTS

To ensure the Superior value of "Student Success" and orientate the students about the quality mechanism prevalent in Superior University, Lahore, the Competent Authority is pleased to prescribe the following rules (available in Semester Regulations as well) to monitor the performance and progress of University Students with immediate effect:

1. Issuance of Academic Warning on Low Performance

Academic warning is already configured in the University Management System (UMS) and Academic Regulations under which three levels/ checks have been defined as under:

1. Each student has to maintain the minimum 2.00 SGPA/CGPA to be promoted to the next semester. Whenever the requisite score falls below 2.00 he / she will be issued 1 st warning requiring him/ her to remain careful to avoid 2nd warning. Examinations department will issue 1st warning on the UMS after analysis of the data which will pop up on the portal of each student below the required SGPA/CGPA.
2. Heads of the Departments will generate report after announcement of result and hold a counselling session with the Student in the presence of his/her parents. Holding of Counselling Sessions after the announcement of results will be mandatory for each Department. The Department of Examinations will monitor the process.
3. 2nd warning if issued, and also in a row /consecutively will be treated as final warning and if the student fails to meet up the required standard in the next semester will be relegated to the relevant semester.
4. The student would be required to clear the probation/warning status in the next semester and henceforth.

2. Suspension of Scholarship on Poor Performance in the Exams for a Specific Period

Upon obtaining 2nd consecutive warning scholarship offered to the student will stand revoked /suspend until the student secure a minimum of CGPA 2.00. For example , a student who secure 1.9 SGPA in first semester and 1.8 in the 2nd will be treated as relegated student alongwith suspension of scholarship. The system is already existing in UMS which will be invoked for this purpose. For reinstation of scholarship, the student will be required to submit the application in the Student Office for decision, which will processed for approval.

A parameter of two "F" grades as prescribed in the Scholarship Award Policy will be added in the ERP along with consecutive warning system, which might be invoked on the discretion of the management on "F" grade basis or CGPA condition or both from Fall 2022 Admissions.

3. Recognition of Position Holders of the Semester

Ist 2nd and yd position holders of each batch will be incentivized on semester basis with following recognition:

1. Top position holder Rs. 10,000/- and Certificate of Distinction.
2. 2nd position holder Rs.7,000/- and Certificate of Honor
3. 3rd position holder Rs. 5,000/- and Certificate of Merit.
4. A student securing 1st position in all the semesters of program (08/10 as the case may be) will be awarded Roll of Honor on the occasion of University Convocation O along with Gold Medal.
5. Similarly, one Roll of Honor will be awarded to the students securing distinction in extra-curricular activities **i.e.** for the student who remained undefeated in national level competitions representing the Superior University consecutively at three occasions.

Prizes of Ist, 2nd, Y^{d} position of each semester will be awarded by the Department of Examinations through the Dean of concerned faculty.

Automation and Policy Control Department

The Automation and Policy Control Department at Superior University Lahore plays a critical role in managing and optimizing institutional processes by focusing on two major projects: ERP (Enterprise Resource Planning) and ODL (Open and Distance Learning). Through the implementation of ERP, the department streamlines administrative, academic, and financial operations, ensuring efficient resource management and data-driven decision-making. Simultaneously, the department supports the ODL initiative, enabling flexible and accessible education for a diverse student body through the integration of technology-enhanced learning platforms and robust policy frameworks. This dual focus ensures that Superior University remains at the forefront of innovation in both administrative efficiency and educational accessibility.
